

# UNIVERSITY OF CALIFORNIA, SANTA CRUZ

## COMPUTER SCIENCE

### Ongoing Lecturer Pool #T07-08

The [Baskin School of Engineering](#) at the University of California, Santa Cruz invites applications for an ongoing pool of qualified temporary instructors for the [Computer Science Department](#). Computer Science includes: algorithms, analysis of algorithms, animation & visualization, artificial intelligence, computer literacy, computer programming, database systems, data structures, gaming, graphics, machine learning, security and software engineering. Outstanding candidates with experience to teach courses in one or more of the above areas are encouraged to apply.

The campus is especially interested in candidates who can contribute to the diversity and excellence of the academic community through their research, teaching, and/or service. Compensation includes salary only. Appointments are temporary positions with end dates and generally made one quarter at a time, based on the changing curriculum needs of the department.

**RANK:** Lecturer

**SALARY:** Salary is commensurate with qualifications and experience. Estimated range of \$5,500 to \$8,500 per course.

**MINIMUM QUALIFICATIONS:** M.S., Ph.D., or equivalent in Computer Science or closely related field and demonstrated potential for university teaching.

**POSITION AVAILABLE:** As openings occur

**APPLY TO:** Applicants should submit a letter of application which includes description of courses qualified to teach; curriculum vitae; evaluations of teaching (if available); sample course materials – syllabi, handouts, etc. (if available); and arrange for three confidential letters of recommendation to be sent directly. All letters will be treated as confidential documents; please direct your references to UCSC's confidentiality statement at <http://www2.ucsc.edu/ahr/policies/confstm.htm>. We strongly encourage electronic submission of your materials. Directions are given at [www.soe.ucsc.edu/jobs/lecturer/apply/](http://www.soe.ucsc.edu/jobs/lecturer/apply/).
